Read our Audi A4 Saloon review in full I cannot praise Ruben Ball enough for his help and for getting me into my new car so quickly From the first contact, I felt reassured that I had made the right decision to lease, Ruben explained in detail the process, ran through the options and prices, at no point did I feel pushed to make a decision, but Ruben knew how quickly I needed a vehicle as I'd been let down with a purchase. By the end of the day, I had my finance agreed and car reserved. Luckily, the exact vehicle I wanted was in stock. Ruben knew exactly what information to ask for to make the finance process simple, and pre-empted questions they were going to have with my application A week later, I had taken delivery of my new vehicle. The admin team were also great in getting paperwork done quickly and Ruben was on hand to answer any questions I had and check everything was ok The handover was a smooth process and the delivery driver was a pleasure to deal with. Ruben called me to check everything was ok and I felt reassured that with Select Car Leasing it wasn't just a case of, there's your car you're on your own. I wouldn't hesitate to recommend Ruben Ball at Select Car Leasing and would definitely lease again through them. Lucy Roach Monday, 28/03/2022 Fantastic service from start to finish.
